# HEALTH AND CARE VISA PROGRAM (OVERSEAS WORKERS)

## UK Working Visa

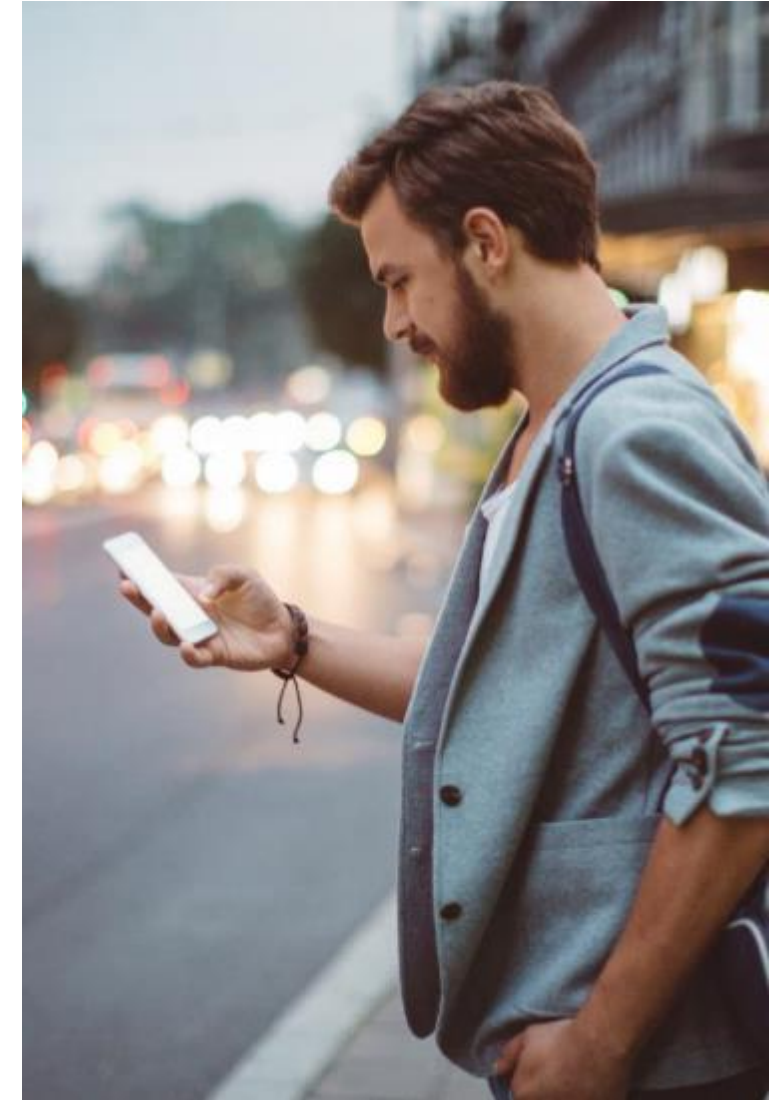

Health and Care Visa is for migrants who have been **offered a place to work** in the UK and are being **sponsored by UKVI authorised employers**.

The Health and Care Worker visa was introduced to help encourage **qualified healthcare professionals from overseas** to come and work in the UK health sector.

The scheme was launch in **August 2020** to help employers deal with the crisis in the work force market caused by the UK leaving the European union (Brexit) and shortfall caused by the impact of Covid 19 .

To qualify for a Health and Care Worker visa, you must :

- **Work for a UK employer that's been approved by the Home Office.**
